# SPODRA

Spodra is an EU-based manufacturer of high-quality household chemical products, serving homes and businesses worldwide since 2007. With a strong commitment to affordability, reliability, and sustainability, our products combine everyday practicality with the durability and safety standards found in professional and hospital-grade solutions.

Managing several world-renowned brands, we deliver innovative, long-lasting products that meet the highest expectations, ensuring every household and workplace enjoys quality they can trust.

We offer flexible production options, catering to both small and large quantities, and can create products using custom formulas tailored to our clients' specific needs.
